Sir:

RESPONSE

Responsive to the Notice/Notification dated April 17, 2006 (copy attached), attached is a copy of the requisite Declaration.

An Assignment, with Recordation coversheet and recordation fee, are also attached and recordation of the Assignment and Notice of the same are requested.

The attached Notice/Notification requirement for a Sequence Listing is not understood and clarification is requested as to where the specification contains sequence information requiring listing in a Sequence Listing. The specification is not believed to contain such sequence information.

An early and favorable Action on the merits of the claimed invention is requested.
